LIMITED WARRANTY

Superior warrants all equipment manufactured by it and bearing its nameplate to be free from defects in workmanship and material, under normal use and service within one year from the date the equipment is first placed in use for any purpose, temporary or otherwise, or eighteen (18) months from the date of completion, whichever shall be less. Superior shall have no responsibility for the performance of any product sold by it under conditions varying materially from those under which such product is usually tested under existing industry standards, nor for any damage to the product from abrasion, erosion, corrosion, deterioration or the like due to abnormal temperatures or the influences of foreign matter or energy, nor for the design or operation of any system of which any such product may be made a part or for the suitability of any such product for any particular application. Superior shall not be liable for any cost or expense, including without limitation, labor expense, in connection with the removal or replacement of alleged defective equipment or any part or portion thereof, nor for incidental or consequential damages of any kind. Any substitution of parts not of Superior's manufacture or not authorized by Superior, or any modification, tampering, or manipulation of Superior's product shall void any and all warranties. Alteration of any parts without express written permission of Superior for a purpose other than that intended shall void any and all warranties. Under no circumstances shall Superior's liability exceed the amount paid to Superior for the original equipment.

It is the owner's responsibility to operate the boiler safely and to follow procedures to ensure proper care and maintenance as per the operations and maintenance manual. This warranty is contingent upon proper evidence that the installation is recorded at the factory; is consistent with Manufacturer's design, operation and maintenance recommendations and meets local codes.

The foregoing warranties shall not apply to products or parts not manufactured by Superior.
